

2008 PRINT COMPETITION

The Stereoscopic Society Members' Annual Print Competition

Prints are judged as a single category, and can be submitted in any format for which the selectors have a suitable viewer.

The suggested formats are :

- A: Traditional stereo prints on 3½"x 7" (90 x 175mm) card mounts
- B: ViewMagic correctly mounted 6"x 4" (150x100mm) prints ready for viewing.
- C: Other formats such as anaglyph or lenticular (See notes overleaf regarding conditions, packing and post)

All members of The Stereoscopic Society both in the U.K and overseas are eligible to enter.

The Competition entries will be judged by the panel, and those selected will be shown at Coventry, U.C.L. in London and during the Annual Convention.

There is to be a photojournalism award based on ideas in David Robinson's article in the Autumn 2007 Journal

The Competition will be judged by a panel (selected by The Stereoscopic Society Committee) who themselves will not be eligible to enter.

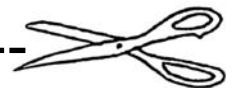

Members may not use the same originals or material entered in this year or previous Stereoscopic Society competitions (see over).

Any subject matter is acceptable. The judges will be looking for imaginative quality prints which, in their opinion, express a unique stereoscopic image. Print titles should be shown and will be announced during judging.

Panel of Selectors:

*Bernard Brown (Chairman)
Brian Newbound
Geof Parker*
