

2008 SLIDE COMPETITION

The Stereoscopic Society Members' Annual Slide Competition

We have continued the two Category system for slides, and look forward to receiving your competition entries as soon as convenient.

The competition entries will be accepted in two categories

Category A. Open slide competition for all members, but members who have won a slide award (including Honourable Mentions) during the last six years (2002-2007) must enter this category.

Category B This is the recommended category for those who have never won a slide award, and is optional for those who have not won a slide award during the last six years (2002-2007) but have regularly entered the competition.

(See notes overleaf regarding conditions, packing and post)

All members of The Stereoscopic Society both in the U.K and overseas are eligible to enter.

The Competition entries will be judged by the panel, and those selected will be shown at Coventry, U.C.L. in London and during this year's Annual Convention. To make these

presentations more interesting, **you are invited** to include on a separate sheet of paper, points of interest such as where and how the photographs were taken. Such material would not be presented to the selectors.

There is to be a photojournalism award based on ideas in David Robinson's article in the Autumn 2007 Journal.

The Competition will be judged by a panel (selected by The Stereoscopic Society Committee) who themselves will not be eligible to enter.

Members may not use the same originals or material entered in this year or previous Stereoscopic Society competitions (see over).

Any subject matter is acceptable. The judges will be looking for imaginative quality slides which, in their opinion, express a unique stereoscopic image. Slide titles should be shown and will be announced during judging.

Maximum 4 stereo pairs of slides packed in a card backed envelope. Entry for the competition is free but TWO stamped addressed envelopes for correspondence from U.K. entrants and a return label with postage to return your slides would be appreciated.

Entries submitted must be the work of the entrant and bear the title on the front and the entrant's name on the reverse side.

Both 41 x 101mm slides & pairs of 50 x 50mm slides mounted in glass or foil/card will be accepted. All slides should be spotted bottom left hand corner when viewed in the hand. Copyright remains with the photographer.

IMPORTANT : slides accepted and shown at previous annual exhibitions are not eligible (except from slides previously accepted for the Portrait of Britain). Members who wish to enter the print competitions also, may do so, but must not use the same stereo pairs submitted for the slide competition.
