E-mail: [info@stereoscopy.net](mailto:info@stereoscopy.net)

# London Meetings

Please note: all meetings start at 2.30pm

Doors open 2.00pm. Members are invited to bring along slides to the meeting with the prospect of being included in that or a future day's programme. Please advise Fred Newton (address on reverse)

## 2009

### October 17th

#### Third Dimension Society 2007 International Exhibition

Audio-visual presentation of accepted entries in the annual exhibition organised by the TDS under PSA regulations.

Presented by a TDS member.

### November 8th

#### Archives

To lift up your hearts with music, elevate boats with ingenious

mechanics and animated pump action are activities included in

today's digitised selection of records from our Society's archives.

Presented by Mike Hillyard.

### December 5th

**Christmas meeting** in a festive atmosphere where members are invited to bring and share refreshments, participate in a raffle organised by Lance Potter and a light-hearted slide competition organised by Fred Newton.

Please bring up to three slides (RBT or 2 x 2 format) to be projected, evaluated and commented on by members. A very small, probably refreshing, prize will be presented to the acclaimed winner.

## 2010

### January 16th

**Show and Tell.** This is the chance to talk about and demonstrate anything related to Stereoscopy. Priority will be given to items of popular interest.

Maximum 10 minutes per member.

Organiser. David Burder

### February 20th

#### Copying

The quick, the easy and the professional ways to copy your slides and prints for digital viewing and projection. There will be a short demonstration on how modest "immediate" results can be achieved using coupled digital cameras. The main illustrated talk will show how a flat bed scanner can quickly help to produce a slide show and how the use of popular and professional slide copiers are able to produce superb results. Discussion time will cover the above and ways to convert digitised material for film projection. Presented by Barry Aldous.

### March 20th

#### Annual Auction

**Your Photographic Auction items** will be received from 1.00pm. Viewing from 2.00pm. Auction starts 2.30pm.

*Priority will be given to 3-D items.*

**Sales Table.** Any Photographic items valued less than £10.00 and those for which you prefer to receive a fixed price may be placed on this table for sale.

The society receives 10% commission on all sales to help fund these meetings. Only fully paid up Society members may bid.

Organisers. Lance Potter & Fred Newton, Auctioneer Bob Aldridge.

### April 17th

#### 2010 Annual Slide (digital & film) & Print Exhibition.

Projection and showing of accepted entries. Entry forms will be mailed to all members in December 2009. Maximum four slide pairs and/or four prints.

Organiser: David Ford.

---

# Midlands Meetings

**Meetings start** at 2.30 p.m. Doors open 2 p.m. Finish at 5 p.m.

## 2009

### October 3rd

(a) Artistic and aesthetic aspects of stereo photography. What makes a good stereo picture. Talk by Neville Jackson.

(b) Viewing of slide and print entries from the TDS Annual Competition/Exhibition.

## November 7th

a) Workshops: What's on the Internet (Phil Palmer) - Collectables - books (Brian Temple) - Macro and micro techniques (Bob Pryce)

(b) Projection by Mike Hillyard of Pat Whitehouse digitised sequences.

## December 12th

(a) The annual "Bring and Buy" Sale plus a talk on "Collectables" by Lance Potter.

(b) Projection of slide sequences by Colin Metherell, Tony Ford and Geoff Ogram

## 2010

### January 19th

(a) Digital Stereo Day. Demonstrations/workshops on StereoPhoto Maker and StereoData Maker, with displays of equipment. Members are invited to bring slides that over the next few weeks will be digitised by Roy Smyth for projection at the March meeting.

(b) Projection of digital sequences by Barry Aldous, Andrew Hurst, Bob Pryce and Roy Smyth.

### February 6th

(a) Fuji Day. We hope to have a representative from Fuji to talk about their proposed stereo digital camera system. If this does not materialise, alternative arrangements will be made.

### March 6th

(a) Digitising of film images (slides or prints) - demonstration of techniques. Update on Society Archives.

(b) Projection of images digitally copied from slides submitted by members at the January and February meetings.

### April 10th

(a) Printing, viewing and projection - a look at the various methods of preparation and viewing of stereo images, either film (slides or prints) or digital.

(b) Viewing of slide and print entries from the Society's Annual Competition/Exhibition.
