

AV-5 Entry Form

2018 Buxton Convention

Introduction

The AV-5 competition is intended to be a fun way of encouraging individual members, or group of members, to produce a short audio visual presentation (show); the submitted shows will be seen and judged by those attending the Stereoscopic Society Annual Convention. All the shows will be digitally projected in a single session and a score sheet will be available for those wishing to take part. The score sheet will include a synopsis for each show. Scoring will be on a 'favourite entry' basis, as selected by each participating member of the audience. The shows will be presented in alphabetical order, by surname of the contributing author.

Event Rules

1. One show only, per author or group, may be entered.
2. The show must have a duration of no longer than five minutes.
3. The contributing author or group, need not be registered for the Convention, but must have membership with The Stereoscopic Society.
4. The show can be submitted on a DVD, along with the completed 'ENTRY DETAILS' form below, to the Event Coordinator, before the 31st March 2018.
- 7 The show must be submitted as a video file, in any format (avi; mp4; wmv; etc.)

PLEASE SEND ANY QUERIES TO – groups@stereoscopicsociety.org.uk
