

## Convention Attendance Form

The highlights of our convention include 3D projection sessions presenting some of the best 3D shows from our members and around the world. As normal these will take place after dinner on Friday, Saturday and Sunday evening with extra activities in the hotel on Saturday morning including Workshops and Displays. Sunday's excursion will be to York. There will be a country walk on Monday for anyone wishing to join in.

Tea and coffee will be served at various times each day. Lunch will be available on the Saturday within the hotel at an extra charge, or the town centre is a few minutes walk away.
